RATING SHEET FOR DEMONSTRATION

Trainee's Name:			
Trainer's Name:			
Qualification:	DRESSMAKING NC II		
Unit of competencies:	1. Draft Basic Block Pattern 2. Prepare and Cut Pattern 3. Sew Casual Apparel 4. Apply Finishing Touches on Casual Apparel		
Date of assessment:			
Time of assessment:			
Instructions for demonstration			
Given the necessary materials, tools, instruments, and equipment, you are required to perform the following tasks by the set of performance criteria, the given task will be done in 4 hours			
Materials: Materials, tools, instruments, and equipment			
OBSERVATION	✓ to show if the evidence is demonstrated		
During the demonstration of skills, did the trainee...	Yes	No	N/A
Draft Basic Block Pattern			
• * Determine job requirements by the company's practice			
• * Prepare design by the client's requirements			
• * Prepare/select measuring, drafting, and cutting tools by job requirements			
• * Follow the correct position and sequence in taking body measurements			
• * Draft basic/block pattern by customer's specifications			
• * Cut final pattern with/without seam allowance and by customer's specifications			
Prepare and Cut Materials			
• * Check fabric for quality, faults, width, selvage, and marking requirements			
• * Soak, drip-dry, and press fabric by standard fabric care			
• * Select and prepare accessories and accent of the garment by specified garment design or style			
• * Prepare tools and equipment by job specifications			
• * Lay-out and pin patterns on the fabric-by-fabric grain line			
• * Mark seam allowances on the fabric by job requirements			

Vision

To produce technically-skilled workforce in Dressmaking NCII Central Luzon

Mission

To train and certify globally-competitive graduates in Dressmaking NCII

• *Trace/mark darts and pocket locations on the fabric by specified garment style or design			
• *Interpret garment design or style by customer's specifications			
• *Cut fabric by the required standard allowances			
Sew Casual Apparel			
• *Press and pin cut parts together by the specified garment design/style			
• *Set up and adjust machines by work specifications			
• *Sew sleeves are fit and well hung from the edge of the shoulder and around the arm as per specifications			
• *Sew seated collar at the neckline and corners evenly and sharply sewn			
• *Clean pocket flaps corners with no raw edges			
• *Sew zipper without puckered			
• *Nick and flatten seams without wrinkles			
• *Evenly sewn waistband width from end to end evenly			
• *Completed garment alteration			
Apply Finishing Touches on Casual Apparel			
• *Check finishing touches by garment design/style specifications			
• *Mark and attach accessories and accent positions by garment design/style specifications
